P.C.

1. The reliefs claimed by the petitioner are beyond the scope of Court's jurisdiction under Article 226. Surely the question of allignment of a road cannot be gone into in a petition under Article 226. Petition is, therefore, dismissed.

2. It is needless to say that if the authorities decide to acquire the property of the

petitioner or any part thereof
for the proposed road then the
authorities will have to follow
the procedure in accordance
with law.
